

Inflation Checklist

Have there been any recent updates or changes to your property, such as a new roof or home renovations?

Has your vehicle use changed significantly (e.g., increased or decreased mileage, new drivers)?

Have there been any major purchases or additions to your home that might require additional coverage?

Has your insurance score improved, potentially qualifying you for better rates?

Are you aware of any new discounts or coverage options available that could benefit you?

Do you have any upcoming life changes (e.g., marriage, moving) that could impact your insurance needs?

Would you like to explore bundling your home and auto insurance for potential savings?

Are you satisfied with your current deductibles and coverage limits?
