The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbsil.com/bb/grp/bb_gpsg15posilo_il_2025.pdf or by calling 1-800-541-2768. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Individual: Participating \$3,300; Non-Participating \$6,600 Family: Participating \$9,900; Non-Participating \$19,800	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. In-Network Preventive Health Care services are covered before you meet your <u>deductible</u> .	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	Individual: Participating \$3,800; Non-Participating Unlimited Family: Participating \$11,400; Non-Participating Unlimited	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, <u>balance billing</u> charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.bcbsil.com/blueppo or call 1-800-541-2768 for a list of Participating Providers.	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
